Established in 1951, IOM is the leading inter-governmental organization in the field of migration and works closely with governmental, intergovernmental and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants.

IOM is committed to a diverse and inclusive environment. Internal and external candidates are eligible to apply to this vacancy.

Context:

The United States Refugee Admissions Program (USRAP) operates world-wide with a target of providing resettlement opportunities to thousands of refugees each year. IOM provides a range of services and support to the USRAP including, but not limited to, case processing, migration health assessments, cultural orientation training, organized transportation and administration of a travel loan and collections program.

Under the overall supervision of Regional Health Assessment Coordinator(ECA), Migration Health Unit, and the direct supervision of Migration Health Officer, MHD, the successful candidate will be responsible for the following duties and responsibilities in relation to the Migration Health Assessment Centre (MHAC) in Warsaw, Poland

Core Functions / Responsibilities:

1. Ensure the efficient daily operations of the Migration Health Assessment Center (MHAC), in close coordination with the Chief Migration Health Officer (CMHO).
2. Conduct the CITY MHAC's migration health assessment process to fulfil the technical requirements of the resettlement countries in the areas of:
 - a) Medical examinations;
 - b) Imaging;

- c) Laboratory testing;
- d) Vaccinations;
- e) TB management;
- f) Treatment and referrals;
- g) Pre-departure procedures and medical movements;
- h) Documentation, certification and information transmission; and,
- l) Other technical areas as may be required

3. Ensure proper identification of refugees and migrants during the health assessment and record all relevant health information in standard forms; ensuring completeness and accuracy of the recorded information.

4. Perform treatment for TB and sexually transmitted infections and provide support to the HIV and counselling activities. Oversee and coordinate the management of TB cases to ensure effective TB treatment.

5. Oversee and coordinate accurate and effective provision of immunization and presumptive treatment programmes in full compliance with the technical guidelines and protocols of the resettlement countries. Assist CMHO in monitoring, supervising and educating all staff in the delivery of these programmes.

6. Contribute to and maintain a system of quality improvement for each service area within the MHAC. Undertake quality control activities on a regular basis, including practice observation, desk audits and use of self-assessment tools. Use data analysis and web reporting system to monitor performance indicators. Ensure implementation of the global IOM Standard Operating Procedures (SOPs); create and implement CITY MHAC specific SOPs for each service area. Ensure proper reporting and management of incidents according to the Guidance Note for Incident Management.

7. Organize systematic collection, processing and analyses of migration health data according to guidelines established by the CMHO. Ensure data quality. Provide periodic, as well as ad-hoc reporting to the CMHO for Migration Health activities.

8. Ensure that all data related to health assessment programmes is appropriately entered to Migrant Management Operational System Application (MiMOSA) and other related databases.

9. Oversee the financial aspects of the MHAC in close coordination with the mission's finance staff: supervise budget preparation, suggest adjustments and cost-effective solutions, and review financial reports.

10. Provide oversight and coordinate the procurement of medical equipment, vaccines, medications and other medical supplies in coordination with the CMHO and the Resource Management Unit.

11. Perform such other duties as may be assigned by the Supervisor.
